Brevet Capital Management**

Joan Hull, CFA, is Director of EB-5 Capital Development at Brevet Capital Management, where she leads investor relations and capital formation for BC Immigration Fund LLC. She has more than two decades of experience building relationships with investors, intermediaries, and institutions around the world.

Before joining Brevet, Joan was Director of Relationship Management at CanAm Enterprises, one of the largest and longest-operating EB-5 regional center sponsors in the United States. There, she managed relationships with global investors, migration agents, and institutional partners across a portfolio of large-scale real estate financings. Before CanAm, she was Director of Institutional Relationship Management at the World Gold Council, where she worked with pension funds, sovereign wealth funds, endowments, and asset managers.

Earlier in her career, Joan held senior investor-facing roles at International Value Advisers and First Eagle Investment Management, serving institutional and intermediary clients across global value strategies. She also worked at Brown Brothers Harriman, supporting institutional investors on custody, fund services, and investment solutions.

Joan holds a BA in Biology and Psychology from Franklin & Marshall College and is a CFA charterholder. She serves as President of the Board of Directors of the Effort to Empower Foundation.
